

November 29, 2022

Dear Alumni Association Scholarship Selection Committee,

It is with great pleasure that I recommend Jaycie Greenawalt for this scholarship! Not only did Jaycie's parents both attend SRU, her grandmother is also a member of the alumni association as a 1969 graduate, so she is a third generation SRU student. She also meets all of your scholarship criteria.

Currently, Jaycie has a cumulative GPA of 3.829 as a double major. She has also been on the Dean's List for both Fall of 2021, Spring of 2022, and I anticipate she will also find herself on the Dean's List for the current semester. She is also a member of the Honors College, which has allowed her to get involved on campus, participate in extracurricular activities, and to take part in community service.

She has shown her strength as a leader in her extracurricular activities, most notably with Color Guard. She has been a member of SRU Color Guard since fall of 2021 and she currently serves as the team captain. This role has many responsibilities which include being a team leader, and effective communicator, and required her to be incredibly organized as she was responsible for organizing practices and getting everything ready for each performance or competition. Being responsible for a large group can be difficult, but Jaycie has succeeded by leading my example through her impressive professionalism. She is also keenly aware that she represents the university in her role, and takes great pride in this responsibility. She has also participated in Winter Guard which demonstrates her commitment to this art form.

Outside of Color Guard, Jaycie is an active member of the Department of Dance. She has auditioned for and been selected to be a performer in student choreographers' works for Slippery Rock University Dance Theatre (SRUDT) and one of the pieces she is in has been adjudicated onto the upcoming Fresh Moves Dance Showcase which opens December 2nd-3rd of 2022. Participating in SRUDT is a large commitment; it requires students to dedicate hours of rehearsal time to their already busy schedules. Each piece of student choreography rehearses for four hours per week. It is impressive to me that Jaycie dedicated this time in addition to her Color Guard duties all while double majoring and maintaining a high GPA. This truly speaks to her character and organizational skills.

It is truly a joy to work with Jaycie; she is a quiet yet determined student who I know will do wonderful things in her future. It is with great confidence that I recommend her for this scholarship. Should you have any further questions for me, please do not hesitate to reach out.

Sincerely,

Lindsay Viatori
